

Manufacturer's Representative

40 years of Design in Service

Paul Quigley (619) 846-7149

Power and High Voltage Products

VPT, Blacksburg, VA
DCDC converters, EMI filters,
custom power solutions
Aerospace, Defense, Space

Voltage Multipliers, Visalia, CA
High voltage diodes, rectifiers, multipliers,
and power supplies
Aerospace, Defense, Medical, Industrial

Calramic Technologies, Reno, NV
Ceramic high voltage capacitors 550V to 20KV
Chip or leaded
Space level, military, aerospace, medical,
geophysical and geothermal

Ultra EMS, RFI Corporation
EMI filters, RFI filters, custom magnetics, Mica caps

Device Engineering, Gilbert, AZ
Avionics transceivers/receivers/drivers Arinc 429
Discrete/digital, MIL/Aero, Commercial Aerospace
Mixed signal ASICs high voltage/RF/Transient Immunity

Q-Tech, Culver City, CA
High reliability hybrid crystal oscillators
OCXO, VCXO, TCXO, Clocks
Space, defense, down hole applications

Reactel, Gaithersburg, MD
RF and microwave filters, diplexers
10 Mhz to 50 Ghz
High power and custom applications

Microwave Technology, Fremont, CA
Microwave GasFet products.
Microwave amplifiers and MMICs.
Space, aerospace and communications
